

To MEF IS School Administration,

I understand that the school administration may request an in-house assessment, and they may also refer to an outside psycho-educational assessment and request professional consultations and additional support, which are not included in the school fee. I will ensure that all reports, suggestions, and diagnoses will be shared in their entirety with the student support team.

I ensure that as parents, we will work in partnership with the school. We will follow the school's recommendations and provide the required support for our children's learning to help them achieve their best and assist them with any special needs.
